Important Questions	Answers	Why This Matters:	
What is the overall deductible?	<b>\$0</b> UH Network; <b>\$625</b> Individual/ <b>\$1,250</b> Family First Health Network	See the chart starting on page 2 for your costs for services this plan covers.	
Are there services covered before you meet your deductible?	No	You will have to meet the <u>deductible</u> before the <u>plan</u> pays for any services. UH Network does not have a deductible.	
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.	
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	<b>\$0</b> UH Network; <b>\$5,000</b> /Individual, <b>\$10,000</b> /Family First Health Network	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.	
What is not included in the <u>out-of-pocket limit</u> ?	<u>Co-payments</u> for certain services, <u>premiums</u> , <u>balance-billing</u> charges, and for health care this <u>plan</u> does not cover.	Even though you pay these expenses, they don't count toward the <u>out–of–pocket limit</u> .	
Will you pay less if you use a <u>network provider</u> ?	Yes. Utilizing a UH Network provider eliminates <u>co-insurance</u> & <u>deductibles</u> compared to utilizing the First Health Network. See <u>UniversityFamilyCarePlan.com</u> or call 1-800-434-2347 for a list of providers.	You will pay more if you use a First Health Network provider, as you are subject to balance billing which is the difference between the provider's charge and what the plan pays. Be advised, your First Health Network Provider might use an <a href="out-of-network">out-of-network</a> <a href="provider">provider</a> for some services such as lab work. Check with your <a href="provider">provider</a> before obtaining services.	
Do you need a <u>referral</u> to see a <u>specialist</u> ?	The UH Network requires a referral from your PCP. A referral is not needed to see an OBGYN, Mental Health, or Behavioral Health provider. You do not need a referral for the First Health Network.	The UH Network will pay some or all of the costs to see a specialist for covered services if a referral is obtained by their PCP prior to the service.
